

November 10, 2014

Dear Business Owner;

In February of 2011, the Ramsey school district lost an exceptional member of its family: teacher, coach, mentor, friend, and long-time athletic director, Lou Molino. Lou's sudden and untimely passing rocked the community and those who were very close to Lou established the Lou Molino Memorial Scholarship. The two \$1000 scholarships are awarded each year to a male and female applicant who will attend an accredited four-year college, who competed in high school sports and demonstrated leadership, sportsmanship, and dedication, and who had to overcome an academic and/or personal challenge.

Last year, we held the first Ramsey Girls Basketball Alumnae Game for the Lou Molino Memorial Scholarship. This event, that focuses around a basketball game and raffle drawings, brings back alumni and former players from as far back as 1985 and as recent as 2014. It is an amazing opportunity to reunite former teammates and reflect on the Ramsey basketball tradition, honor Lou's memory, and to raise money for the scholarship that bears his name. Last year's inaugural event was a tremendous success and after all was said and done, just over \$2500 was raised! Gym memberships and a Bluetooth are two examples of awesome prizes that Ramsey businesses donated. We would like the students and faculty of the Ramsey school district and the people and businesses of the community to, again, support Ramsey Athletics while, more importantly, help to fundraise for the Lou Molino Memorial Scholarship.

We would like to offer you an opportunity to be a sponsor for this special event by making a monetary donation or any other type of donation for the raffles. In return for your donation, the name of your business will be posted in the event program in recognition of your support. We are hoping to surpass our fundraising total from last year. We will only be able to do that with your support. Let's make this another event to remember!

Please feel free to contact me with any questions or concerns.

Thank you,

Brett Roscoe
