"I'm thrilled to be working with a great group of business owners that have the same passion towards this wonderful town as I do. The Ramsey Chamber will continue to promote and feature local businesses, local organizations and local people.

It continues to be such a joy for me to volunteer my time to this group. I have learned valuable information from our many guest speakers and professionals that have taken their time to inform us on how we can grow our businesses.

I look forward to meeting you."
