

"improving the care and quality of life for people living with diabetes"

February 14, 2017

The Diabetes Foundation, Inc., (DFI) is a 501 (c) 3 nonprofit organization founded in 1990 to serve children and adults in need of diabetes medication and information necessary to help confront the enormous challenges of living with the disease. On Thursday, March 23rd, we look forward to presenting our second *Tastings & Tapas* for Diabetes event. Terrie O'Connor, President and Owner of Terrie O'Connor Realtors, will serve as Honorary Chairperson and Jack Daniels, Owner of Jack Daniels Motors, will host the event at the Jack Daniels Porsche Showroom in Upper Saddle River.

"Tastings" is a unique evening of fine food tastings, samples of international wine, beer, and spirits, music, and a silent auction featuring many wonderful items. I am writing today to ask if you will take part in this event by agreeing to become a participating restaurant by attending the event and showcasing small tastings of two or more of your special dishes. Event information includes:

Date: Thursday, March 23, 2017

Time: 6:00pm – 10:00pm

Location: Jack Daniels Porsche Showroom, 335 State Route 17, Upper Saddle River, NJ

In addition to showcasing your tastings to 300 individuals who will be attending, your restaurant will be promoted in all publicity, including press releases and newsletter articles. Additionally, your restaurant will have a page in our "virtual" program, which will be projected on the walls of the Porsche Showroom and later posted on our website.

We would be grateful for your involvement in this event. Please know that all proceeds will go directly towards emergency medications and supplies for New Jersey's low income, uninsured, diabetics in need. Your donation is tax deductible. For more information, please call (201) 444-0337 or rschmidt@dfinj.org

Sincerely,

Roberta Schmidt
Executive Director
